I want to apply to be one of twenty Scouts and Scouters who will participate in the Project Learning Tree/Project WILD nationwide educational program, to be held at the [Seno Woodland Education Center](#) on Saturday, May 7, 2011. This eight hour course is a hands-on outdoors session, that uses the forest as a "window" on the world to increase environmental understanding, stimulate critical thinking skills about ecology and wildlife, and helps make informed decisions on environmental issues, and encourages responsible action on behalf of the environment. A \$30 course fee covers all training books and lunch.
